

COMING EVENTS

The National communications Authority (NatCA) of Sierra Leone will be hosting member states of the West Africa Telecommunications Regulators Assembly (WATRA) on 19th – 22nd March 2024.

WATRA is an organization through which Telecommunications Regulators work together to broaden access to Information and Communication Technology (ICT) services in the sub-region. Sierra Leone is a proud member of the 32 member state organization.

Article 6.12 of the Constitution of WATRA mandates the Conference of Regulators to hold an Annual General Meeting (AGM) once every year. Each AGM shall confirm the host for the following year in conformity with Article 6.21 of WATRA's Constitution.

During the 20th AGM of WATRA which took place in Bamako, Republic of Mali, in March 2023, the Conference of Regulators passed Resolution AGA20/CR/23/R11 for NatCA to host the 21st AGM of the Conference of Regulators.

In compliance with the resolution reached at the 20th AGM of the Conference of Regulators in Bamako, Sierra Leone will automatically assume the position of Chairman of the Executive Committee of the 21st AGM as proud hosts in March 2024.
